

Splash! Series

This semi-portable lifting system is designed for swimming facilities seeking to provide user-friendly access to their swimming pools.

- Meets or exceeds Americans with Disabilities Act Access Guidelines (ADA/ABA 2004)
- 400 pound lifting capacity*
- Semi-permanent installation – easily removable from anchor
- Powered by a 24-volt rechargeable battery
- User operable via waterproof hand control
- 359° rotation ensures a safe transfer area
- Made from powder-coated stainless steel and aluminum

*Lifting capacity of the Extended Reach model is 300 pounds

Descriptions for other variations:

- Splash! Hi/Lo – A variation of the Splash! useful for facilities that have both in-ground pools and above ground spas.
- Splash! Spa – Designed for use with spas up to 48" above the deck.
- Splash! Extended Reach – For use with pools with unusual gutter configurations requiring a longer reach.
- Splash! Mariner – Designed to transfer the user from a dock to a boat, it uses a sling instead of a rigid seat, to eliminate physical transfers.

Accessories:

- 400-0000 Caddy
- 170-1000 Arm Rest Assembly
