MORE ACCESSIBLE POOLS

Access to aquatic environments is vitally important for both mobility challenged individuals and seniors. A pool provides the optimal setting for low impact exercise or therapy. Fear of falling and other traditional land-based concerns virtually disappear when exercise is moved into the pool. As our society ages the mobility challenged population increases, as does the need for safe and accessible pools. Our line of powered lifts can help make pools more accessible starting today.

POOLLIFTS.COM

ADA Pool Accessibility requirements became law on September 15, 2010. This new legislation requires commercial swimming pools to provide means of access for their pools on or before March 15, 2012. Poollifts.com is an informational website dedicated to helping the swimming pool industry meet the new ADA Pool Accessibility requirements. Find whitepapers, videos, tax information and up to date news items on the industry's next big revenue opportunity.

NEW! POOL LIFT CONFIGURATOR

Which pool lift is right for you? Pools vary greatly, so provide us with some basic information about your pool, and let us suggest the best lift for your application. Visit www.poollifts.com to try it today!

chairs

Mobile Aquatic Chair (MAC) **NEW**

Mobile Aquatic Chairs (MAC) are essential for facilities utilizing a ramp, zero-depth entry or movable floor. The MAC is built specifically for use in aquatic environments and with proper maintenance, will look great for years to come.

- Rear stabilizing wheels provide increased stability when the chair is in the water
- Arm rests flip up—enabling easy transfer on and off the chair
- 300 lb/136 kg weight capacity
- Powder coated stainless steel frame—looks beautiful and resists corrosion
- 18 inch/46 cm rotomolded plastic seat—rigid platform provides transfer support

aXs

The aXs is a perfect low profile lift for simple pool designs.

- ADA-compliant
- 300 lb/136 kg lifting capacity
- Easily removable from stainless steel deck anchor
- Powered by a 24-volt rechargeable battery
- User operable via a waterproof hand control
- 360° rotation
- Powder coated stainless steel and aluminum construction
- Includes battery, charger, battery console cover, waterproof control, stainless steel anchor socket with cover, footrest and seat belt assembly

PAL Series

Since its introduction in 1997, the PAL (Portable Aquatic Lift) has become the industry standard for portable swimming pool access. The completely portable PAL is the perfect accessory for any commercial aquatic facility.

- ADA-compliant
- 300 lb/136 kg lifting capacity
- Completely portable—easy to move by one person
- Conveniently stores away when not in use
- Powered by a 24-volt rechargeable battery
- User operable via waterproof hand control
- 240° rotation
- Powder coated stainless steel and aluminum construction
- Comes with battery, charger, battery console cover, waterproof control, footrest and seatbelt assembly

Also available:

- **PAL Hi/Lo**—A variation of the PAL useful for facilities that have both in-ground pools and above ground spas.
- **PAL Spa**—Designed for above ground pools and spas up to 48 in/122 cm above the pool deck.

Splash! Series

This removeable lifting system is designed for facilities seeking to provide user-friendly access to their swimming pools.

- ADA-compliant
- 400 lb/181.5 kg lifting capacity*
- Easily removable from stainless steel deck anchor
- Powered by a 24-volt rechargeable battery
- User operable via a waterproof hand control
- 359° rotation
- Powder coated stainless steel and aluminum construction
- Includes battery, charger, battery console cover, waterproof control, stainless steel anchor socket with cover, footrest and seat belt assembly

*Lifting capacity of the Extended Reach model is 300 lb/136 kg

Also available:

- **Splash! Hi/Lo**—A variation of the Splash! useful for facilities that have both in-ground pools and above ground spas.
- **Splash! Spa**—Designed for use with spas up to 48 in/122 cm above the deck.
- **Splash! Extended Reach**—For use with pools with unusual gutter configurations that require a longer reach to the water line.

Stability Vest

The Stability Vest was designed to assist individuals with limited or no independent upper body or trunk stability. The vest holds the user to the chair, strapping them in for support.

Arm Rests

Optional, flip-up armrests are available for all lifts. This accessory item can be retrofitted to a lift. The armrests are available in white, for PAL and Splash models, and in gray, for the aXs.

Seat Pad

White, waterproof seat pad designed to enhance comfort and minimize friction

Spine Board Attachment

The Spine Board Attachment works with any standard spine board (not included). Simply remove the chair assembly by pulling the attachment pin and replace that assembly with the Spine Board Attachment.

Splash! Caddy

The Splash! Caddy facilitates handling, transporting and storing a Splash! Fabricated from rugged steel for strength and powder-coated for surface protection. The Caddy simplifies both insertion and removal of the connector shaft into the pool deck and becomes a convenient storage rack for the lift when not in use.

Battery & Charger

All pool lifts are powered by a 24 volt, rechargeable battery. This battery should be left on the charger when not in use. Works with PAL, Splash! and aXs lifts.

Custom Covers for aXs, PAL, and Splash! Models

Protect your investment with a full, all-weather cover. Available for PAL, Splash!, and aXs models.

Battery Console Covers for PAL and Splash! Models

Protective cover for battery console only.
